

FOR SALE

SURVEYING ALIDADE

\$350 obo

Corp of Engineers surplus shows very little wear but does have small spots in viewfinder. This is supposedly due to some flaking of the mirror but the device is sold "as is". Includes wood box, tool kit just as received from CoE. Plane table not included. Alidade is located in Northwest Arkansas, 90 miles East of Tulsa, Oklahoma. Contact me at roxnoil@earthlink.net
